Introducing 9/8 and 12/8

These meters are similar to 6/8, but they have more than two “big beats” per bar. 9/8 has three beats per measure, and 12/8 has four.

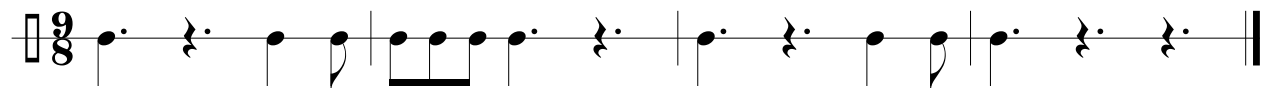

43.

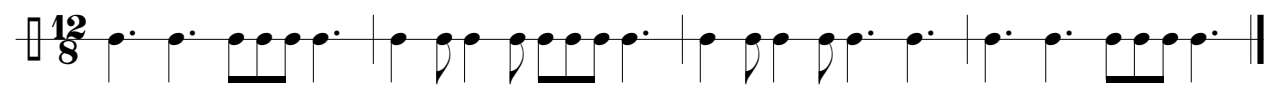

44.

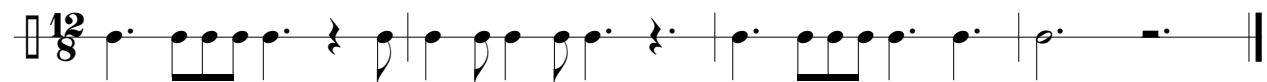

45.

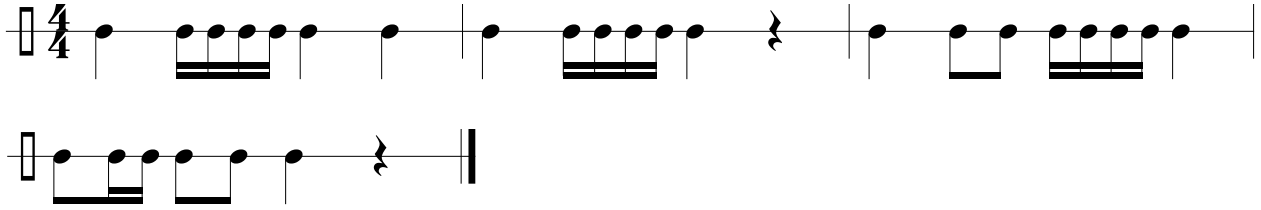

46.

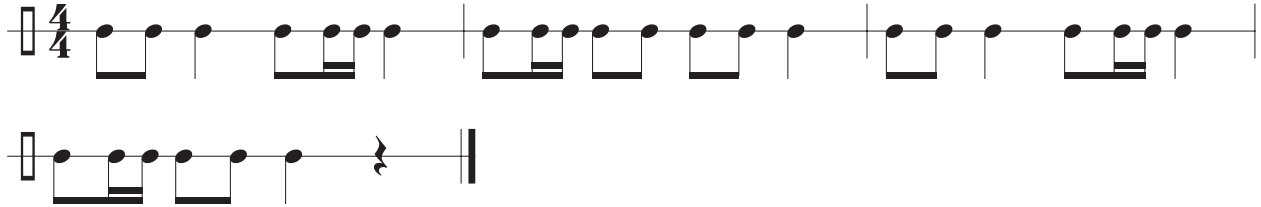

47. (This one has a loose pickup note in measure 1, which is something we haven't seen before.)
