

Let's Make a Bunch of Scales

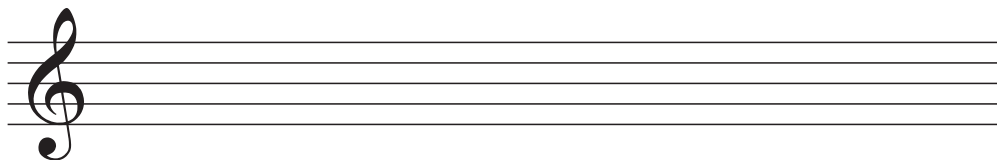

Check-plus is worth one extra point on your final grade. Check is a half point, check-minus is no points.

Make each requested scale on the staff. Apply the accidentals directly to the notes.

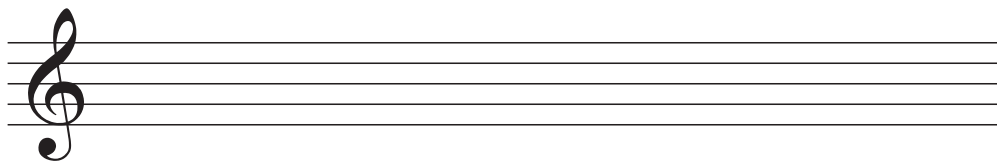

Example:

A \flat Major 

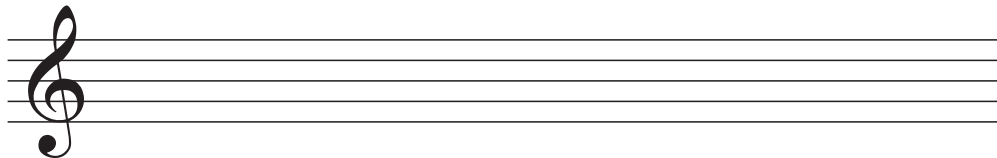

1) F major

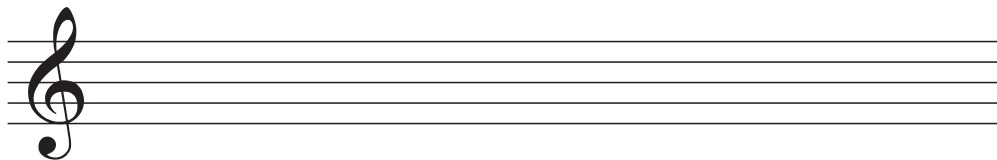

2) B minor

3) E major

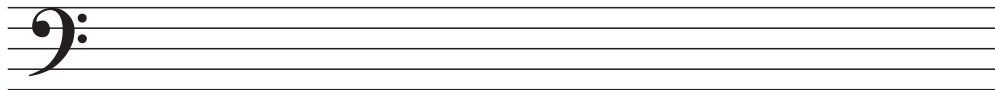

4) D "harmonic" minor

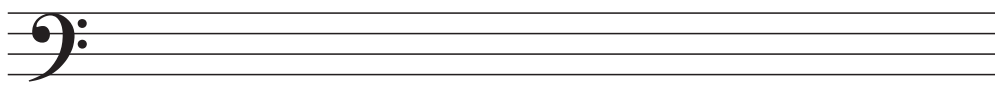

SIDE B = BASS CLEF

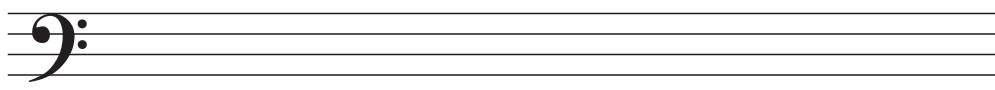

5) E \flat major

6) A major

7) G “harmonic” minor

8) C \sharp minor
